

Kit list for Willowview ELC

Here at Willowview ELC, all children have free flow access to our outdoor area all day, in all weathers. This enables them to be independent in choosing where they want to play and learn and for us to be responsive to you children's interests.

We have put together some information about what your child will need for their time at Willowview ELC.

In their Nursery Bag:

Plastic bag for wet/dirty clothes

Spare clothing including, extra socks and soft shoes/slippers for inside

Suncream

Midge repellent

Full set of spare clothing including socks and vests.

Please put your child's name on all clothing and belongings.

A guide to what children will need for their time at Willowview ELC:

<u>On warm days:</u>	<u>On Cold days:</u>
Wellies or other waterproof footwear	Warm, waterproof footwear
A sun hat and/or sunglasses	A warm hat and scarf, gloves ideally waterproof
Light-weight, long sleeve top and long trousers (these are to prevent scratches, bites and stings)	A thermal layer including leggings and a long-sleeve top
A jumper in case it is chilly	Warm socks
Sun cream- Please apply before arriving at nursery	A warm jumper or fleece
Midge repellent- Please apply before arriving at nursery	Jogging bottoms/leggings – Please avoid jeans!
It is important to have a couple of spare sets of socks and pants to change into in case of any toileting accidents or mud fun!	In the winter many layers are needed as it can get very cold outside having some warm fleeces avoiding any cotton or jean materials as these will not keep your child warm

It may be useful to keep a spare carrier bag in the boot of your car for muddy wellies and clothes.
